Stevenson, Meekins Choices

A bitter duel between Chevrolts and Fords is expected to highlight the 200-lap NASCAR national championship late model stock car race at Gardena Stadium next Monday afternoon, Jan. 2.

All of the top drivers of NASCAR are expected to compete in the first big race of the 1956 season. But primary attention will be focused on Chuck Stevenson and Chuck Meekins.

Stevenson, driving a 1956 Ford, just won the 200-mile Willow Springs road race, before 20,000 fans. He was pushed home by Marvin Panch, of Gardena, in another 1956 Ford.

Meekins was victor in the last 250-lap late model car race at the Western Avenue plan. He came roaring home the winner in a four-door 1955 Chevy, the first time a four-door job ever won a major stock car race. He was pushed across the finish line by another 1955 Chevy, with Bill Stammer, of Garden Grove, at the wheel.

So with plenty of other top drivers eager to grab the big prize money it looks like a wide-open race, with breaks (and brakes) being an important factor before the finish line is crossed.

Thieves Strip Tree

The decorated Christmas tree in her front yard was denuded by thieves who took three strings of lights and 35 bulbs from it, Carrie L. Rydstrom, of 25619 Pennsylvania Ave., told sheriff's deputies Thursday.

Connecticut Team Here For Pop Warner Classic

A 29-man Pop Warner midget football team from Meriden, Conn., is flying to the west coast tonight to compete in the first annual East-West Midget Bowl game on Saturday, Dec. 31. The easterners will oppose the 110-pound Pop Warner squad from Redondo Beach which last year traveled to Meridan to play in the Piggy Bank Bowl.

Pop Warner football was pioneered in Southern California at San Bernardino, and is now a popular elementary tackle football program in Redondo Beach, Reseda, Fullerton and a few other Southland communities.

To Be Televised
 Pop Warner football, which has an abundance of its 295 leagues and 40,000 players in the east, has approved the East-West game in an attempt to create interest in the program in Southern California. As a result the game between Meriden and the Redondo Crusaders will be televised over KTTV at noon on Saturday with Bill Welsh handling the play-by-play. The game has been scheduled as to precede the Shrine East-West game in San Francisco, and for a 3 p.m. radio time to Meriden.

Committees in Redondo Beach have been busy planning activities for the Meriden team which will be in town until Jan. 3. Football practice will be held in the morning and entertainment in the afternoon throughout the pre-game week.

Mayor on Trip
 The boys will be housed in pairs with 15 Redondo Beach families. They will arrive by United Air Lines together with six supervisors, Mayor and Mrs. Henry Altobello, a dozen other Meriden tourists, and Frank Corkin, sports editor of the Meriden Record-Journal.

Meriden citizens have been planning their visit to Southern California since September when they received their exchange invitation from Redondo. An immediate campaign to raise \$5000 for the trip was realized within a short time.

29 Travel West
 Over 100 boys compete with four Pop Warner teams in Meriden, and the 29 boys who are making the trip are an all-star combination.

Redondo will be represented by a 22-man team, which is composed of 100 members of the Redondo Crusader boys' club.

As added interest when Pop Warner officials in Philadelphia announced its 10th Annual All-American team and it included Terry Wanat of Meriden and Chuy Rodriguez of Redondo. Rodriguez made the team for the second straight year at quarterback. Wanat is an offensive fullback and defensive tackle.

Use 60-Yard Field
 Coach of the Redondo team is Jim Hand, 37, who was graduated from Redondo High only last year. He discovered his pioneer team three years ago during a sandlot game and eventually realized a lifetime dream when he was able to uniform them and was later accepted into Pop Warner football.

The team has its own 60 yard regulation field at the Redondo Recreation Center where bleachers have been installed for 1500 spectators.

Those interested in organization of a Pop Warner team are invited to attend the game or watch it on television.

Many Groups Back Hunter Safety Plan

Since the inception of the Hunter Safety Training program late in 1953, 30,864 boys and girls under 16 have received certificates of competence in handling firearms, the Department of Fish and Game said recently.

Of that number more than 14,000 were trained in 1955. Under a legislative act, all persons under 16 who have not previously been licensed to hunt must possess a certificate of competence before they can obtain a license.

Scores of organizations and more than 4000 volunteer workers have cooperated with the Department in providing training classes.
